The most up-to-date Argus Jet Fuel methodology is available on [www.argusmedia.com](http://www.argusmedia.com)

## Introduction

Argus Jet Fuel publishes global bulk spot prices for jet fuel. It is published daily. The report contains a price summary of international bulk jet prices, news, market commentary, jet fuel forward curves and global spot market prices.

Argus Jet Fuel is a composite report consolidating jet fuel prices from [Argus European Products](#), [Argus Asia-Pacific Products](#), [Argus Mideast Gulf and Indian Ocean Products](#), [Argus US Products](#), [Argus Russian Motor Fuels](#), [Argus Caspian Markets](#) and [Argus West Africa Oil](#). The methodology for these price quotations can be found in the online methodologies for these respective reports.
