Logging in to Argus Direct

Click “remember me on this computer” to stay signed in for seven days.

Language can be changed here.

Non-subscribers can find more about Argus Direct by clicking on “More info”.

Copyright © 2023 Argus Media group. All rights reserved.
Your home page

Once signed in, you are directed to the homepage. This is a selection of widgets including an overview of your prices and news.

The widgets change depending on what your subscription consists of.

Users may be able to see:
• Prices
• News
• Charts
• Bulletin boards

The height of widgets may also vary, depending on your configuration.
Your home page

The navigation bar can be found at the top of all pages.

Clicking “Home” updates the content in your widgets.

Search is at the top right of all pages.

Key articles appear in the upper section of the news widget.

Clicking “See all” on any widget will direct you to a full page view.

Collapse/expand individual widgets from the top right.

Copyright © 2023 Argus Media group. All rights reserved.
Publications

Find all publications you are subscribed to under the publication tab. Just click on PDF for the publication and XLS for current prices from the publication.

Copyright © 2023 Argus Media group. All rights reserved.
Prices

Click “See all” in the price widget or on Prices > Price data in the navigation bar to go to the price page.

The widget on the home page is a window to the price page and provides you with an immediate update on price and price moves.
The price page is focused on providing Argus prices in the most useful way. You can view methodology, history and much more on any prices. You can also easily chart prices or export to Excel.

Click “Add prices” to add any prices you are entitled to.

Click “Edit prices” to order, convert or delete prices.

Tick checkboxes to download prices to Excel.
Prices

Export prices

Select checkboxes on the left of your prices and click on "Export prices" next to the Edit button.

Both current and historical prices are available.
Prices
Concertina

See a quick overview of price attributes and historical values in the concertina by clicking "More".

More information about the price can be found in the concertina.

Click on "Save to my charts" to chart more price history or compare with other prices.

Click on "View methodology" to read about how we assess prices.

Copyright © 2023 Argus Media group. All rights reserved.
Charts

Add as many charts as you like

Highlight historical prices by hovering over the chart

Click “See all” in the charts widget or on Prices > Charts in the navigation bar to go to the chart page

Copyright © 2023 Argus Media group. All rights reserved.
Two types of charts are available: **standard** and **spreads**

- **Standard**: Plot up to four prices when selecting the **standard** option.
- **Spreads**: Plot up to two spreads when selecting the **spreads** option.

You can edit or create charts from this page.

Give the chart a name and press save.

You can also convert the units used to chart.
Key stories appear at the top of the News & analysis page.

These are the most recent articles that have been chosen by the editors as “Key”.

Latest news, market commentaries and analysis are displayed in chronological order.

Click on “See all” to see more articles by category.

Receive alerts as soon as relevant news is published or select once a day.

To read an article, click on the title or on “Read more”.

Copyright © 2023 Argus Media group. All rights reserved.
Filters are available on the left to help you refine the list you are seeing.

Once you have clicked on “See all”, you are redirected to a list view that provides all articles to which you have access.
