The most up-to-date Argus/Coalindo Indonesian Coal Index Report methodology is available on [www.argusmedia.com](http://www.argusmedia.com)

## Introduction

Argus Media publishes Argus Coal Daily International, Argus Coal Daily, Argus/McCloskey's Coal Price Index Report, Argus/Coalindo Indonesian Coal Index Report and Argus Russian Coal as well as market reports and newsletters on a wide range of energy and other commodity markets.

Argus/Coalindo Indonesian Coal Index Report contains weekly ICI 1, ICI 2, ICI 3, ICI 4 and ICI 5 benchmark prices.

## Indonesian coal assessments

Argus/Coalindo Indonesian Coal Index Report contains price assessments for Indonesian coal according to the ICI specifications.

These specifications standardise the assessment around key criteria relating to contract basis and energy value.

For the specifications of the Argus component in all ICI indexes, and the methodology applied in their assessment, please see the [Argus Coal Daily International methodology](#).

For information on the specifications and methodologies relevant to the Coalindo component in all ICI indexes, please see [coalindoenergy.com](http://coalindoenergy.com)
