**Introduction**

Argus Jet Fuel publishes global bulk spot prices for jet fuel. It is published daily. The report contains a price summary of international bulk jet prices, news, market commentary, jet fuel forward curves and global spot market prices.

Argus Jet Fuel is a composite report consolidating jet fuel prices from Argus European Products, Argus Asia-Pacific Products, Argus Mideast Gulf and Indian Ocean Products, Argus Mexico Fuel Markets, Argus US Products, Argus Russian Motor Fuels, Argus Caspian Markets, Argus West Africa Oil and Argus Air Daily. The methodology for these price assessments can be found in the online methodologies for these respective reports.

**Argus Jet Fuel Index™**

The Argus Jet Fuel Index™ is an arithmetic average of the following assessments:

- New York fob barge 54 grade
- US Gulf fob Colonial 54 grade
- Chicago fob
- Los Angeles fob

The index is published in ¢/USG.

See the Argus US Products methodology.
