

Argus Spot Ticker

Maximize Your View into Intraday US Gasoline and Diesel Fuel Pricing

The price discovery provider thousands rely on every day for closing spot pricing now brings you intraday prices in real time.

I Summary

The price discovery provider thousands rely on every day for closing spot pricing now brings you intraday prices in real time.

End-of-day spot price changes can broadside your bottom line in today's volatile market. If you price your rack barrels on an end-of-day Argus spot price, you need to be able to get ahead of assessments.

The Argus Spot Ticker provides real-time transparency into US gasoline, diesel, heating oil, ethanol and RINS markets throughout the day. The ticker also comes with a live news feed, putting price moves into context.

I Key features

Included in every Argus Spot Ticker:

- Up-to-the-minute, verified gasoline and diesel fuel prices in all U.S. spot markets with clear indications of market direction
- Industry-renowned Argus news, including refinery outage updates as they occur
- Real-time basis differentials to futures markets and calculated flat prices
- Clear indicators that tell you whether prices are moving up or down
- Customize the view that's right for you - see the markets and products that matter to you
- Four daily "benchmark freezes" to provide an insight into the closing Argus spot numbers
- RINS and Ethanol prices - included at no extra charge

I Key benefits

Anticipate the Market – And Stay Ahead of Your Competition

Make better decisions on when to buy or sell fuel and increase your negotiating power with live prices and the news that drives the market.

Transact with Confidence

The Argus editorial team that covers spot markets and breaking market news is steeped in knowledge and experience. Our expertise guides you through volatility.

Time Your Purchases

Buy smarter with the market. The ticker highlights price direction so you can delay purchases in declining markets or act quickly when prices are trending higher.

You trust Argus for end-of-day prices that represent the entire day of trades.

Argus Spot Ticker combines all the intelligence and innovation you expect from us.
